Chorus:           Bm           F#m   G A  
Home with my family,  
          Bm    F#m    G A  
Feels so good to me,  
G  
When we're all together  
          G                   Asus4  
That's where I love to be,  
A                   D   G A  
Home with my family.

          G                   D  
My brothers and my sisters, my mom and my dad,  
          A                   D  
We care about each other and we're so glad,  
          G                   D  
To have our home to keep us warm,  
          A sus                   A  
When it's cold outside in the wintertime.

Chorus

          G                   D  
We skip outside and have so much fun,  
          A                   D  
There's enough love for everyone.  
          G                   D  
We come inside at supertime,  
          A                   A  
Play some games, that's how we end our day.
