Unbeatable Kids

Capo 4th fret © 2009 Hjorth Road Elementary School, Surrey, BC & Lowry Olafson

```
                          C                    F
Chorus:  Unbeatable kids, that's who we are,
                                   G                          C
         And when we stick together, you know that we go far,
          C7          F                        Am
         And everyone of us is gonna be a star
                                 G                    C
         We're unbeatable kids, that's who we are.

           G
For a hundred years this school has stood,
C
Kids from every nation.
   G
A place where we can learn,
C
Get our education.
       Am
Since we walked through these doors,
G
We've found so much more,
G
Friends and strength and courage,
     G
We never had before.

Chorus

             G
And we've made it what it is,
     C
By our imagination.
  G
A hundred years of hope
   C
Is cause for celebration.
         Am
Walk in someone else's shoes,
       G
Get a different point of view,
     G
Respect yourself and others,
     G
We know what we can do.

Chorus
